## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments with respect to claims 34-49 have been fully considered but they are not persuasive. The applicant has argued that the stairs of Olliges et al do not "unfold". The definition of "unfold" as provided by [www.dictionary.com](http://www.dictionary.com) is "To open and spread out". The examiner asserts that the stairs of Olliges both open and spread out. The claims 34-39 remain rejected.

2. Applicant's arguments, with respect to claims 1, 2, 4, 6, 9, 12-18, 21, 22, 24, 29, 31-33 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.

### ***Claim Rejections - 35 USC § 102***

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) The invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 34-39 are rejected under 35 U.S.C. 102(b) as being anticipated by Olliges et al (6,659,225). Olliges discloses a method of accessing an overhead area of an aircraft comprising: opening an aircraft overhead module, releasing an overhead area access staircase system having a plurality of stair segments, unfolding said plurality of stair segments and ascending said plurality of stair segments (see Figure 1), deploying at

least one rail member (#32), where the previous two steps are performed simultaneously, a support member (#38), hand supports (#32), and a locking/unlocking mechanism (Col. 4, lines 35-40).

***Allowable Subject Matter***

4. Claims 1-33 and 40 allowed.

***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
